# Second Annual Tuner's Challenge Poker Run OCTOBER 12th 2013

You are invited to the second annual Tuners Challenge Poker Run. Any and all cars that are tuned/modded are welcome to attend.

## Information

### What is a poker run?

A poker run is NOT about speed, driving fast, or being reckless. It's not about who's first. It's not about who's got the most horsepower. A poker run is about having fun, winning some great prizes, and cold hard cash while helping the North Texas Food Bank.

### How does it work?

You will drive your car to each of our sponsors in the order listed. Map packets will be provided. At each location you will draw a playing card at random. You make the best standard poker hand (5 cards) out of the 7 cards you draw.

### What does it cost?

The entry fee is \$25.00 per hand if you register early. Fee on day of is \$35. Each person participating will get one sponsor shirt. You can purchase multiple hands. You do not have to have a car to play. You can ride along; bring your spouse, etc. See entry website for more details.

### What can I win?

There will be all sorts of prizes for various hands, including best, and worst. The main cash prizes however will be 65% of the pot. So if we have 40 hands playing, the first prize will be \$400, second \$200 and third \$50. The remaining \$350 will go to charity. The sponsors have all committed to contribute additional items of considerable value.
